

CODING TABLE

This table supplements information contained in the chart to which it is associated. In spite of the fact the classification of waypoints (fly-by / flyover), courses, distances, altitudes, level and speed restrictions are mandatory, the providers may use the information as they find appropriate in order to code procedures. In other words, in case any particular coding is applied, it is mandatory for it to reflect the procedure published in the chart.

Identification					Aerodrome					Chart Code		AMDT	
SID BOBAV 1B RWY 13 / 31					FORTALEZA / Pinto Martins, INTL (SBFZ)					SBFZ_SID_00S		08 OCT 20
